MEMORANDUM FOR: Director of Central Intelligence

SUBJECT: [REDACTED]

25X1

1. [REDACTED]

25X1

[REDACTED] is on leave or absence for one year, without pay. I am advised that you have informed him that he will be continued in a slot on your staff for possible re-employment.

2. Finance Division has reported that he was delinquent in his accounting of funds under his control; and that advances which he made to four individuals, under the belief that they were proper, were not collected as they should have been. He has liquidated his personal indebtedness; the other advances have not been liquidated and are being investigated to determine exactly how much is involved and the purpose of the advances. The amounts are small.

3. There is also a matter of a car sold in the field and not yet properly accounted for.

4. In view of the above and our previous official position with respect to such matters, I do not believe subject should be re-employed.

Recommendation:

That this memorandum be placed in the subject's personnel folder.

[REDACTED]
